**QUALITY IS AT THE CORE
OF EVERYTHING WE DO,
OUR PRODUCTS ARE BACKED
WITH THOUGHTFUL INNOVATION
& HIGH-QUALITY MATERIALS
AND DETAILED QUALITY CHECKS.**

Peps was started in 2005, with a dream to transform the way India sleeps with mattresses that are beyond a one-size-fits-all product.

The industry at that time was dominated by cotton and coir mattresses with just one player in the spring mattress category. What's more, customers identified spring with something rickety and uncomfortable, low on durability but high on maintenance and cost.

Pioneering a new movement in the mattress industry, Peps went on to cross the hurdles, break the ice and reach out to the customer by highlighting the importance of making everyday sleep a comfortable, healthy and safe experience. And today, Peps Industries Private Limited or Peps as every customer calls it is an Rs.325 crore turnover company, and a leading mattress brand in India, with 600 employees, 6,000 retail dealers, and a 56 per cent market share of spring mattresses in India.

Whether you live in your bed, or simply long to get back to it, nothing turns your home into a comfortable R&R zone like your mattress. You most definitely deserve a choice. And nobody understands this better than Peps. We have invested in technology, R&D and exceptional customer service and support to ensure that your mattress goes beyond delivering a good sleep.

Peps Industries is India's only manufacturer of sleep systems to match the exact quality and technology benchmarks defined by Restonic Corporation of USA.

We at Peps know every detail about mattresses by heart.

REST ASSURED, YOU CAN TRUST PEPS
TO WAKE UP FEELING ON

**TOP OF THE
WORLD.**
